

Radio/Video (30 second) Voice to Camera – Single Person

[Soft and soothing background music playing]

[Scene: A person sitting comfortably, facing the camera.]

- **Person:** For older people and their loved ones, planning for later life provides peace of mind. I looked into it, and organised my will and other important documents. Now I can get on with enjoying life.
- **Voice Over:** Have you thought about later life? There's no better time than now. Visit humanrights.gov.au/planningahead
